

Everyday Harrison County residents unknowingly threaten our environment by throwing out household hazardous waste along with their regular trash. This is improper disposal can destroy our environment by polluting our air, water, and soil.

To provide residents with a safe and sanitary alternative, the Rockco-McFarland Household Hazardous Waste Site is available. It is located at 10076 Lorraine Road, Gulfport. The site is open the second Saturday of every month from 8:00 a.m. - Noon

The following items are accepted:

- Latex or oil based paint (5 gallon, 1 gallon, quarts and spray paint)
- Used cooking and automobile oil
- Antifreeze
- Household, marine, and car batteries
- Aerosol cans
- Flammable liquids (such as gasoline)
- White goods such as freezers, refrigerators, washing machines and dryers
- Fluorescent light bulbs
- Tires (up to 25 per household annually – strictly enforced)
- E-waste (electronics) such as computers, cell phones, and televisions

The following items WILL NOT be accepted:

- Any item in a container larger than 5 gallons
- Herbicides
- Pesticides
- Asbestos
- Rubber cement
- Roofing material
- Explosives (including flares)
- Pharmaceuticals
- Chemicals
- Construction debris
- Furniture
- Or commercial waste (businesses – only household waste can be accepted)
